STUDENT SATISFACTION SURVEY (SSS)

ACTION TAKEN REPORT

Academic Year: 2021 - 2022

We have conducted a Student Satisfaction Survey (SSS) to gather feedback on Teaching Learning from Students. The survey was conducted through CAMU ERP and we received significant responses from our students. Faculties with high score (3.01 & above) will be asked to deliver the methodologies in FDP Program. Faculties with low score are given adjunct counseling & training to improve Teaching Learning through FDP & other training Programs.

The survey results indicated that the overall satisfaction level of the students with the faculty was high. The majority of the faculty members received an A or B grade from the students. As no faculty received C grade, we are proud of the work of our faculty is doing and the positive feedback we received from our students.
