The resolution made in the Board of Studies meeting held on 16.02.2019 are as follows:

- The syllabi revised by the Board will be introduced for the B.Sc., Botany and B.Sc., (Zoology) - Ancillary Botany - degree programme for the academic year 2019-2020 (2019-2022 Batch).
- The suggestions to introduce fewer topics and rearrangement of titles in some papers may be incorporated.
- In 'Taxonomy of Angiosperms' paper, modern types of classification may be included.
- In 'Microbiology and Plant Pathology' paper a separate chapter may be introduced in the name of 'Soil microbiology'.
- 'Bioethics' topics may be introduced in the syllabus.
- The titles 'PCD' and 'AYUSH' may be introduced in the relevant papers.
- The existing units on 'cyber security' in the core paper - 'Bioinformatics' have to be replaced and enriched with more topics in Bioinformatics.
- In order to provide cyber security in the syllabus, two papers titled, 'Networking and Information Security' and 'Cyber security & ethical hacking' are to be introduced in part IV as skill based elective papers (mija) in the V Semester.
- The above said changes may also be applied to the 2018-2021 batch.
