	hour, so the
subject	expert
suggeste	ed to introduce
3. 21UFO6F3 Urban All 100	
3. 21UEO6E3 Urban All 100 - Study	of economics
Economics Units of cities	es is need to
underst	and policies
and	factors that
determi	ne city
structur	e and
perform	nance-urban
	nics tends to
	on issues like
	ance integrated
land	use, urban
infrastr	
	ortation.
housin	g policy, urban
probles	ms etc., hence
the s	ubject experts
Sugnes	ted to introduce
this co	ted to introduce
4. 21UEO6E5 Computer All 100 - There	
Application in	
Feonomics Units	of software and
progra	immes used to
deal	with economic
data i	neluding product
creation	on, market
accou	nting and
	nistration.

							computer are also
							used in the creation of
							complex forecasting
							models which can be
	, T						used to predict how
							markets will change.
							In modern time
							computer application
							in economics is
							important one for
							further development.
5.	21UEO6E6	Health	All	100	-	-	To promote, maintain
1		Economics	Units				and improve the
		Ceonomics	Units				health and health care
							services. Creating
							awareness of cost
							effectiveness, cost
							benefit analysis.
4							health insurance and
							distributional aspects
							of health policy. It
	=						describe the
							Phenomenon and
							behaviour of health
							care market and
						NAME OF THE PARTY	predict function of
							health system.
