#### 4. Targeted Audience: 50

#### 5. Beneficiaries of the Event: 45

#### 6. Report of the Event

The session started with the preliminary round of Debugging Hackathon with 45 students and the question link was given to the students immediately. The students opened the link and started debugging the errors using their programming knowledge and skills. After completion of the preliminary round, the answers are evaluated and only 8 members are allowed to enter the final round which is conducted on 14<sup>th</sup> February 2023. The Final round starts with 8 finalists and the question link was given to them. After the completion of the final round, the answers are evaluated and first three places are found out. The prize winners are awarded with a certificate and a trophy and participation certificates are given to the other participants.

Annexure: Certificate
