RULES AND REGULATIONS PERTAINING TO CHOICE BASED CREDIT SYSTEM AND EXAMINATIONS

The office of the Controller of Examination started functioning from 1987 when this college was conferred with autonomous status. Since then, Rules and Regulations are framed based on the recommendations of Boards of Studies, Standing Committee on Academic Affairs, Internal Quality Assurance Cell (IQAC) and Academic Council, keeping in view that they must be student friendly while safeguarding the credibility of the Institution.

Blooms's Taxonomy – Question Standard Level

(Academic Year – 2017-18 onwards)

Outcome Based Education (OBE) has been implemented from the academic year 2017 – 2018. In connections with this, we are following Bloom's Taxonomy for teaching, learning and evaluating process to improve the skill of the students.

Bloom's Taxonomy primarily provides instructions with a focus for developing their course learning objectives. It can be used to increase student understanding of the learning process. Teachers can understand the complex cognitive development and how lower-level skills build into higher-order thinking (E.g., recalling facts and comprehending previous problems allow the students to apply their experience to similar problems)

All **Question Paper** follows the given levels:

Base Level (Remembering and Understanding)

- Application Level (Applying)

Advance Thinking Level (Analyzing, Evaluating and Creating)

Choice-Based Credit System coupled with Grading, Innovative method of Curriculum and Evaluation:

This is a modern system introduced in Higher Educational Institutions to keep the curriculum relevant to the global demands and standards.
