Dear Sir/Madam,

Sub: *(IT Hpp)*-Special Placement Coaching Program - Students Attendance-Meeting
Called for improvement - Reg.

We wish to inform you that, the toppers of the class who are recommended by you, a few students are not sincere in attending the above said special coaching classes.

In spite of our putting tremendous efforts for the welfare of the students, we feel we have not reached the student to the core of the program.

We have to inspire and motivate the aspiring students for the effective improvement in their Aptitude skills.

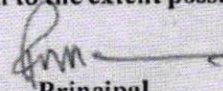

While observing the last two days evening classes' the attendance has shown us only 50% presence in the coaching classes in general.

The purpose of this ambitious program monitored by our beloved President on daily basis will be diluted if this trend continue further.

Hence, our principal wants to call the Staff Placement Coordinators of the department for a meeting on 6.8.2018- Monday by 11.15 in the Board Room.

Hence, we want the respective department the Staff Placement coordinators of the dept. to attend the meeting with the student's feedback and the reasons for their absence in the last two days classes. We want the feedback to restructure the program to the extent possible.
