PHYSICAL FITNESS CENTER – GYM

In our college, we have a separate physical fitness center—a gym for all the students. A gym in the campus will promote good health, performance and reduce the sick leaves. Providing the facility within the campus will motivate students to join the gym and collaborate with each other. There will be a peer motivation and personality development through positive and healthy competition. Strengthen connection between mind and body Physical activities makes you better at time handling. A morning workout is even more beneficial as students could begin their day with a fresh and more active and alert brain. Physical fitness Increases levels of norepinephrine and endorphins, resulting in a reduction of stress and an improvement of mood.

We provide separate timings for boys and girls in our college.

Gender	Timing	
	Morning	Evening
Male	6.00 AM -7.00 AM	4.15 PM – 5.15 PM
Female	7.00 AM – 8.00 AM	3.15 PM – 4.15 PM

During the Academic Year 2022-2023 around 423 students are benefited.
