

The NGM College has been practicing Decentralisation and Participative Management of its leadership since the inception of the college. The college committees led by the President, Secretary, Treasurer, and Members. The decisions of the Institution are governed by the Management. The Decentralization of Academic and Administrative functions paves a way to the smooth functioning and growth of the Institution.

The supportive role is played by the Dean of Academic affairs and Dean of Research in monitoring the Curriculum Design, Research, Publication and all Quality initiatives with the support of HODS and faculty members. The Management, various Departments and IQAC analyse feedback collected in their respective domains to make necessary inclusion. The participative culture is promoted in the College premises through which the Teachers and Students cooperate with each other for the successful implementation of the Programmes in every sphere of activity. The Examination process is perfectly carried out by the Examination section by the Controller of the Examinations and Deputy Controller along with the Staff members. Equal responsibilities are shared by the faculty members in various committees and clubs like Admission, Academic, ISO audit, Library, Magazine, College Calendar, Alumni association, discipline and Training & Placement.
