## NALLAMUTHU GOUNDER MAHALINGAM COLLEGE (Autonomous), Pollachi

### Online and Offline Training on the OBE Module in CAMU ERP

The ERP Cell conducted an online training session on "**Computation of Attainment Levels: OBE Module in CAMU ERP software**" on February 20<sup>th</sup>, 2024. This session was led by **Ms. N. Dhanam, Senior Product Analyst of Octoze Technologies Pvt. Ltd., Chennai**, and aimed to equip participants to enrich the knowledge required to compute attainment levels within the OBE module of the CAMU ERP software.

Following the online session, an in-person training session was held on February 21<sup>st</sup>, 2024, specifically designed for department ERP coordinators. This hands-on session provided practical experience with various sub-modules of the OBE module, including:

- **Question Bank Creation:** Participants learned how to create and manage a repository of questions within the system.
- **Question Paper Creation:** This session covered the process of designing and generating exam question papers using the software.
- **Exam Subject Creation:** Participants gained insights into defining and managing exam subjects within the system.
- **Define Exam:** This session focused on setting up and configuring exams within the software.
- **Schedule Exam and Link Question Paper:** Participants learned how to schedule exams and link them to the corresponding question papers.
- **Question-wise Mark Entry:** The session covered the process of entering and recording marks for individual questions.
- **OBE Configuration:** This session provided an overview of configuring the OBE module to meet specific institutional requirements.
- **PEO and PO Mapping:** Participants learned how to map Program Educational Objectives (PEOs) and Program Learning Outcomes (POs) within the software.
- **Course Designer:** The session covered utilizing the Course Designer tool for curriculum development purposes.
- **Course Outlay Mapping:** Participants gained insights into mapping course outlines within the system.
- **CO Weightage:** This session focused on assigning weightage to Course Outcomes (COs) within the software.
- **Generating Outcome:** Participants learned how to generate reports and analyse learning outcomes using the software.

By participating in both the online and offline sessions, faculty members enriched valuable knowledge and practical skills necessary to effectively utilize the OBE module in the CAMU ERP software for efficient curriculum management and assessment processes.
