- Feedback Analysis

IQAC encouraged the faculty to submit proposals to various funding agencies for product and conducting seminars / conferences and workshops. FDPs were also organized to enhance the teaching skills. It helps the faculty members to handle students in a better way.

The Continuous Internal Assessment tests were conducted to monitor the progress of the students. According to the norms assignments and seminars are given to the students. Based on the performances of the students remedial classes are conducted. Students' Seminar, Group discussions & Quiz programmes are conducted regularly. Project based learning, peer learning, ICT oriented teaching are used. The best out going students are identified based on their academic performance, co-curricular activities and extra-curricular activities and awards. This motivates and encourages the students to compete well in their entire endeavor.

In every department, practical learning is enabled, organizing intra and inter department competitions and giving special care to weak students. The students are encouraged to organize and co-ordinate department activities and self-development activities like seminars, management games etc. this helps the students to improve their leadership qualities and organizing skills. The best student coordinators and organizers are indentified and encouraged. Separate Committees monitor the progress of the activities. Internal audit conducted and monitored by IQAC.

The placement cell regularly conducts training programmes and arranges campus interviews and also deputes to off-campus drives. Academic records are maintained to monitor the progress of the students. Economically weaker students are supported with government scholarship for
