NGM COLLEGE AT A GLANCE

With the lofty ideal of providing higher education for students from High Schools of Pollachi and Udumalpet Taluks in Tamilnadu an organisation called "**Pollachi Kalvi Kazhagam**", with the following office bearers, was constituted in 1957.

Thiru S.P. Nallamuthu Gounder	- President
Thiru V.K. Palanisamy Gounder	- Vice-President
Thiru M.S. Palaniappa Mudaliar	- Treasurer
Dr. N. Mahalingam	- Secretary
Thiru S.S. Ramachandran	- Asst. Secretary

With the keen interest of Shri 'Bharat Ratna' C. Subramaniam, Former Governor of Maharashtra this organisation took efforts to establish a college at Pollachi.

On the auspicious day of 12th July 1957 the College, formerly known as "Nallamuthu Gounder Municipal College", was opened in the immediate presence of the Chief Donor Thiru. S.P. Nallamuthu Gounder and started functioning with a strength of 160 students in the Pre-University Course. A munificent donation of Rupees Three Lakhs from Padma Bhushan Dr. N. Mahalingam, D.Sc., F.I.E., enabled the management to start degree courses in Economics, Mathematics and Physics in July 1959. Under Dr. N. Mahalingam's benevolent patronage, the College how got rechristened as "Nallamuthu Gounder Mahalingam College" and has blossomed into a full-fledged academic institution offering courses in various disciplines.

In July 1960 the Science Block was opened by the Former Governor of Madras. The B.Sc., Degree course in Chemistry was started in July 1965 and B.Com. in July 1968. The B.A., Degree course in English Literature was introduced in July 1971. Degree courses in B.A. History and B.Sc., Botany were introduced in July 1972.

In September 1972, the "Pollachi Kalvi Kazhagam" was renamed as "Nallamuthu Gounder Mahalingam College Kalvi Kazhagam".

A new block was constructed with the help of U.G.C. grant and the building was opened by Thiru N.D. Sundaravadivelu, the then Vice-Chancellor of Madras University on 3rd March 1974. The college began to spread its wings of progress with the introduction of co-education in the year 1975. All the Degree Courses have been semesterised since 1976.

The introduction of the Post-Graduate Course in Mathematics in 1979 was a great leap forward, followed by the P.G. Course in Physics in 1980 and Commerce in 1981. The B.Sc., Degree course in Zoology was introduced in 1982.

The silver Jubilee of the institution was celebrated with all its splendour in February 1984. Hon'ble Sri P. Ramachandran, the then Governor of Kerala, inaugurated the spectacular celebrations, paid rich tributes to the College for its glorious achievements in the field of higher education and laid the Foundation stone for the Silver Jubilee Block. The B.Sc., Degree course in Computer Science was introduced in 1986.

The College was set to achieve greater academic distinctions with the introduction of autonomous system from the academic year 1987-88. Under autonomy, courses have been restructured and syllabi are designed to make the higher education more progressive and purposeful. In order to make the degree courses job-oriented, a few disciplines such as B.Sc., (Physics), B.A., (Economics) and B.Com., were made as vocational groups in 1994.

The M.C.A. (Master of Computer Applications) course was introduced in 1990. M.A. English course was started in the academic year 2001-2002.

M.Sc., Biotechnology, M.I.B. and M.A. Tamil, P.G. Courses were started in the academic year 2002-2003.

Post Graduate Diploma in Business Administration was started in the academic year 2003-2004.

The following self-financing courses were also started over the years:

B.Com., in 1982; B.B.M., and B.Sc., Computer Science in 1996. B.Sc., Mathematics in 1999. B.C.A., B.Com. C.A., in 2000. B.A. Tamil in 2004. Additional Section in B.Com. C.A., Dip. in Biofarming in 2007, B.Sc., Information Technology in 2008, B.Com. E-Commerce and MSW in 2009, B.Com. (Finance), B.A. (English) in 2009 MSc (Computer Science, in 2010 MCom (CA) and B.Sc. CT in 2011.

The Centenary of our Founder Shri S.P. Nallamuthu Gounder was celebrated with splendour and glory on 27th January 1998. Arutchelvar Dr. N. Mahalingam delivered the inaugural address and released the Centenary Souvenir.

The College has introduced **Choice Based Credit System (CBCS)** from the academic year 2004-2005. From 2008-2009, the college is adopting new CBCS as per the guidelines given by the Tamilnadu State Council for Higher Education and Bharathiar University.

This is a modern system introduced in Higher Educational Institutions to keep the curriculum relevant to the global demands and standards of the students. Students are offered with a choice of a variety of Job-oriented courses, Elective Courses and Courses for improving soft-skills. They can choose any course of their interest and need during the period of their study to get extra credits and Certificates in addition to the Degree in their respective disciplines.

Under this system, every subject is fixed with certain credit points, based on its content of knowledge, its application orientation as well as number of contact hours allotted. This is being done by a thorough analysis of the content of each subject by the members of Board of Studies.

The college is awarded with TUV ISO 9001:2008 Certification through TUV Rheinland, Germany in May 2005. A new building christened as Thiru S.P. Krishnaswamy Gounder Science Block was dedicated to the College by our Patron Dr. N. Mahalingam on 16.09.2005 to accommodate science classes. Local Area Network (LAN) with Internet Connectivity in the buildings and staff rooms was inaugurated on the same day by Dr. S. Murugaiyan. The Year 2007 was one of the most memorable year in the history of the College as NAAC, Bangalore **Accredited the College with 'A' grade.** Many land marks were created in the year 2007, which includes, the inauguration of Sri M.S. Palaniappa Mudaliar Block, Prof. A. Alkondan A/c Hall, Two Internet Centres, Language Laboratory, Virtual class room. To conduct Yoga classes for the Human Excellence Course, a new modernised hall named Bharathiar Arangam was opened during the year 2008. To conduct various academic meetings a new A/c hall with modern facilities has been constructed and named as Vivekanandar Arangam in 2009. 'Bharat Ratna' C. Subramaniam Centenary Library was dedicated to students in 2010 in memory of Shri. C. Subramaniam.

REALISATION OF VISION

"NGM" is an enchanting name that dwells in the hearts of thousands of students, parents and staff of this College. Fabulous tradition, values and culture that prevail in this great temple of learning have made people to remember the College forever.

The main objective of NGM College is to give Quality Education to the rural youth of this area. By hard and strenuous work of the dedicated people, the dream has now become a reality. We gratefully remember two great visionaries Shri S.P. Nallamuthu Gounder and Arutchelvar Dr. N. Mahalingam Ayya who invested a large sum in the establishment of this great institution. They exemplify the Gandhian dictum that private wealth must be invested for public good.

NGM is held in high esteem by the stateholders of the college and is targeted by the talented students, benchmarked by few colleges, empowered by the erudite faculty, enthusiastic students and enlightened management. Its strength is the team spirit with the only focus on Quality Education and Human Excellence.

In order to transform our College into one of the Benchmarked Institutions with Eminence and Excellence at the National Level, the President of the College, Dr. B.K.Krishnaraj Vanavarayar has given a comprehensive vision for the Holistic development of the College. The vision focusses on every aspect of the Institution including curriculum design, improvement of the faculty, development of necessary infrastructure, creation of a separate department for Human Excellence and augmentation of Extension Services.

After having visited many leading educational institutions in the country, each department has prepared its own Vision Document with clarity and focus by defining the Goals, revamping the Board of Studies, effecting modifications in Curriculum, suggesting ways and means for upgradation of Faculty Members, creating required Infrastructure, adding new Instruments and Equipment, framing Annual Calendar, offering Consultancy Services and providing students the needed industrial training, field trips and on-the-job training. A through has been given to research programme in all the teaching department.

To facilitate effective functioning, easy monitoring and promoting interdisciplinary interactions, Departments in the College have been categorized into five clusters which includes Arts, Science, Information Technology, Commerce & Management and Human Excellence. Eminent and distinguished subject experts from various disciplines across the country have agreed to serve as advisory of these clusters.

NGM College has taken a challenge to realise the dreams of 3969 students through its rich experience in higher education acquired during the last 54 years by offering academically superior, socially relevant and spiritually oriented curriculum. Training is imparted to strengthen the students to acquire the desired Academic Eminence and Human Excellence.

Vision

"Our dream is to make the college an institution of excellence at the national level by imparting quality education of global standards to make students academically superior, socially committed, ethically strong spiritually evolved and culturally rich citizens to contribute to the holistic development of the self and society."

Mission

"Training students to become role models in academic arena by strengthening infrastructure, upgrading curriculum, developing faculty, augmenting extension services and imparting quality education through an enlightened management and committed faculty who ensure knowledge transfer, instil research aptitude and infuse ethical and cultural values to transform student into disciplined citizens in order to improve quality of life."

"We reap what we sow; we are the makers of our own fate. The wind is blowing; those vessels whose sails are unfurled catch it, and go forward on their way, but those which have their sails furled do not catch the wind. Is that the fault of the wind?We make our own destiny."
