2. Detailed Report (Include Nature , Impact and Scope of the Programme)

Report on 'Extension program on Plant Taxonomy for Higher Secondary School Students organized by PG and Research Department of Botany on 14.10.2019.

Introduction:

The Extension Program on Plant Taxonomy for Higher Secondary School aims to introduce students to the fascinating world of plant diversity and classification. Through interactive sessions and hands-on activities, students are immersed in the principles and practices of plant taxonomy, fostering a deeper understanding and appreciation for the botanical world. A total of 60 students were participated. The program was conducted by Dr. P. Sathishkumar and Dr. A.M. Ananda kumar, Assistant Professors, PG Botany.

Objectives:

- To familiarize students with the basic principles of plant taxonomy.
- To introduce students to the importance of plant classification in understanding biodiversity.
- To provide hands-on experience in plant identification and classification.
- To cultivate an appreciation for the diversity of plant life.

Program Activities:

Introduction to Plant Taxonomy:

- Overview of taxonomy and its significance.
- Introduction to plant classification systems.
- Discussion on the importance of taxonomy in various fields such as agriculture, medicine, and conservation.

Plant Morphology and Identification:

- Identification of common plant parts and their functions.
- Practical session on observing and identifying plant specimens.
- Use of dichotomous keys for plant identification.

Classification Systems:

- Overview of different classification systems (e.g., Linnaean system, phylogenetic system).
- Discussion on the evolution of classification systems and modern approaches to taxonomy.

Field Trip:

- Visit to botanical gardens in school campus for practical application of taxonomy principles.
- Guided to observe and identify different plant species in their habitat.

Herbarium Activity:

- Introduction to herbarium specimens and their importance in taxonomy. Hands-on session on specimen collection, preservation, and labeling.

2. Detailed Report (Include Nature , Impact and Scope of the Programme)

Report on India for Tigers "Rally on wheels" in commemoration of 75th anniversary of Indian Independence – Azadi Ka Amrit Mahotsav organised by Anamalai Tiger Reserve Department of Zoology, Department of Botany and Department of Physical education.

In connection with the project Tiger scheme and to celebrate the 75th anniversary of Indian Independence – Azadi Ka Amrit Mahotsav has been celebrated on September 30, 2021 with the inauguration of a bicycle and vehicle rally has been arranged in the name of India for Tigers "Rally on wheels" and with a tree plantation program by the Tamilnadu State Forest Department, Anamalai Tiger Reserve, Pollachi, Department of Zoology, Department of Botany and Department of Physical Education.

The event started at 9.30 am in Aratchelvar Arangam, NGM College campus. The program was inaugurated in the august presence of Sub-collector Pollachi, Mr. Thakare Shubham Dayandeevas I.A.S., Thiru. N.S. Murali IFS, Inspector General of Forests, National Tiger Conservation Authority, southern region Bangalore, Mr. S. Ramasubramaniam, DFO, Dr. C. Manickachezian, Principal of, NGM College, Pollachi, Mr. S.N. Thejasvi, DFO, Mr. K. Ganeshram, ACF & AD, Udumalpet.

The function started with a grand rally organised by Lions Club – Prince, Pollachi followed by an inaugural session that started with Tamil Thai Vaazhithu and a welcome address by Mr. S. Ramasubramaniam IFS. He insisted on the importance of this event, the saving of tiger project, and role of tiger reserves, followed by Thiru. N.S. Murali IFS gave a special address on Tigers and their role in a healthy forest ecosystem and statistical data on tiger population increase. He expressed that the tiger is one of the representations of a healthy ecosystem. Dr. C. Manickachezian gave an informative speech on Tigers about their features, characters, and habits. He also insisted on the importance of the food chain and the food web for a healthy ecosystem. The certificate and memento were distributed to all dignitaries, forest officials for their effective work on tiger conservation, and the organisers of this event. There was a cultural event organised by the NGM College sports students insisting on the importance of tree conservation and the role of the forest department in conserving the ecosystem. Finally, the meeting ended with a vote of thanks and the National Anthem. The programme is an outreach and awareness programme as mentioned by NAAC criterion No. 3.6.3. for the benefit of students and the public in creating environmental awareness and understanding the importance of forests. The function was conducted in a well defined manner with all protocols as prescribed by the Government of India and Government of Tamilnadu. The seating arrangements are made accessibly by having social distancing strictly enforced, and only limited students are allowed to participate. The programme is very successful.
