Saraswati Pooja Celebration

Report

Date: 21.10.2022

Time: 7.00 PM

On the auspicious day of "Saraswati Pooja" the students and faculty members of department of Mathematics were decided to celebrate the day to seek the blessings of the goddess of knowledge, music, art and culture. The event was celebrated with a lot of devotion and dedication by worshipping goddess Saraswati. Students worshipped goddess Saraswati to seek wisdom, technical skills and academic excellence.

Both the faculty and students joined hands together with enthusiasm to make the event a memorable one. Pajans were performed by the students. The event was ended by serving traditional prasad to everyone. Celebrating this kind of pooja's adding glory to the department.

Event Report

On the 22.03.2023, the Tamil Nadu State Government's Medical Emergency Mobile Unit, 108 Ambulance, organized an insightful first aid demonstration for the community of Kanakkampatti. The demonstration, led by Saravana Kumar, an Emergency Medical Technician, aimed to educate community members about crucial first aid techniques. He commenced the session by providing information about the inception of ambulance services in India, shedding light on the evolution and importance of emergency medical services. The primary focus of the demonstration was on first aid for various situations:

1. Heart Attack First Aid:

- Demonstrated steps to recognize symptoms of a heart attack.
- Illustrated the correct method of performing CPR (Cardiopulmonary Resuscitation).

2. Fainting First Aid:

- Discussed the common causes of fainting.
- Taught appropriate responses to assist someone who has fainted.

3. Wheezing and Fits First Aid:

- Explained the basics of handling situations involving wheezing and fits.
- Provided practical demonstrations on administering first aid in such cases.

4. Fire Accident First Aid:

- Addressed safety measures to prevent fire accidents.
- Demonstrated immediate actions to take in case of a fire accident, including basic first aid.

The event fostered a sense of community well-being by equipping individuals with the skills to respond effectively to medical emergencies. The hands-on demonstration allowed participants to actively engage in learning, promoting a proactive approach to health and safety.

The first aid demonstration by Saravana Kumar and the Tamil Nadu State Government's 108 Ambulance was a valuable educational initiative. It not only imparted critical knowledge on handling medical emergencies but also facilitated direct interaction between healthcare professionals and the community. The event contributed significantly to building a more informed and resilient community in Kanakkampatti.

The Cleaning Awareness Program organized by Nallamuthu Gounder Mahalingam College, Pollachi, demonstrated the commitment to promoting cleanliness and environmental awareness. The collaboration with Pollachi Municipality workers strengthened the impact of the program, fostering a sense of collective responsibility. The emphasis on the importance of cleanliness for physical and mental well-being resonated with the participants, encouraging a positive attitude toward maintaining a clean environment. Such initiatives contribute not only to the immediate improvement of the surroundings but also to the long-term well-being of the community.

- Dustbins should be installed at distant places to avoid littering. Each one of us has a responsibility to keep our surroundings clean. Cleanliness drives should be carried out in the city frequently. Awareness and educational seminars should be held in different areas of the city to educate citizens.

DEPARTMENT OF B.COM - BANKING AND INSURANCE

"Program in Commemoration of International Day of Education" on 24.01.2023

Education is a basic right and public responsibility. The future of a country lies in its schools and colleges. Education is a powerful weapon for breaking the chain of inequality and poverty. This pandemic has greatly affected the educational scenario around the globe. The students of present day lack the spirit due to the psychological impact of the pandemic. So there is a dire need to spread awareness among the students about the importance of education thus evolving them into responsible future citizens.

The United Nations General Assembly proclaimed 24 January as "International Day of Education" in celebration of the role of education for peace and development. The theme for the year 2023 International education day is "to invest in people, prioritise education". UNESCO has dedicated this year's International Education Day to the girls and women of Afghanistan, who are the worst, affected without basic education facilities.

In this context the Department of B.Com - Banking and Insurance, Nallamuthu Gounder Mahalingam College, Pollachi organized a program in "Commemoration with the International Education Day" on 24th January 2023 in Room D 103 at 12:15 p.m. to 1.15 p.m. The program started with introductory speech by Dr. M. Jeeva Associate Professor and Head, Department of B.Com - Banking and Insurance. S.Tamil Arasan (21 BI 16) spoke about the "History of International Education Day" followed by S.Sabin Satish (20 BI 32) who gave some "Quotes on Education" rendered by renowned personalities and P.Satish Kumar (20 BI 12) spoke on the "Importance of Education for Today's Youth". Dr. M. Jeeva Associate Professor and Head and Ms. V. Poomima Assistant Professor coordinated the program.

National Education Day - 11-11-2022

National education day will be celebrated on every year 11th November. The National Education Day 2022 Theme is "Changing Course Transforming Education". This theme indicates a need to reform the education system and make it adaptable to the current times. So our department is celebrated to remember the students about the importance of Education.

In 11th November is celebrated every year as National Education Day to commemorate the birth anniversary of India's first Education Minister Maulana Abul Kalam Azad. On this day, his exemplary contribution to the field of education and educational institutions are celebrated. He was the first education minister of independent India and served from 1947 to 1958. National Education Day is observed in our department to raise awareness about the importance of literacy.

The Program started with introducing speech by Dr. M. Jeeva, Associate Professor and Head, Department of B Com - Banking and Insurance. N. Periyadurai (22-BI-20) spoke about "History of National Education Day" as followed by S. Sathya (22-BI-31) presenting her speech on "Contribution of Abul Kalam Azad to Society" and S. Kavin Prasanth (20-BI-03) focused on the "Importance of Education". Dr. M. Jeeva Associate Professor and Head, Ms. M. Shanmugapriya Assistant Professors are the coordinators for this program.

6. Report of the Event

In India, the birthday of first vice president and second president Shri. Sarvepalli Radhakrishnan is celebrated as Teachers' Day on 5th September 2022. This day is a reminder of the role that teachers play in nation building by guiding and educating the brightest minds of our country. International Literacy Day takes place on September 8 every year to raise awareness and concern for literacy problems that exist within our own local communities as well as globally. As both the days are associated with each other and equally significant, B.V.A department decided to organize Students events.

There are three competitions that are Essay Writing, Poetry and Drawing conducted for the department students. Twenty Eight Students are participated. First and Runner-up positions are selected and announced after the evaluation of the teachers.

Food Festival

Report of the Event

Alchemy (Chemistry Association) has planned to celebrate International Year of Millets by organizing "Food Festival", so as to make an awareness about the importance of millets among students on 28/03/2023 between 10:00 AM to 11:59 AM in the department of Chemistry, NGM College, Pollachi. Totally 7 teams have registered their names for participation and displayed their recipes made from millets. Faculty members of the department of Chemistry were assessed the recipes and students of D1, D2 and D3 were also tasted the home made recipes from millets. The participants explained the importance of the millets, their nutritive and medicinal values during the display. The food festival has provided a platform for the students to know more recipes from millets, their nutritive and medicinal values. Team members 3 (Madhusree, Masudha Begum, Thamarashri) was selected for first place for the recipes Thinau Payasam, Ragi Simitli, Saamai Pariyatum. First place was also given to the team 4 (Mitira, Sathya Bana and Soundharya) for their recipes Millet Halwa, Samosa, Millet Jamun, Laddu, Pongal and Kheer. Recipes Thinau Briyani, Ragi Adai made by Team 2 and Saamai Adai and Thinau Dhosai made by Team 1 secured second place. Other three teams secured third price for their delicious millet recipes.

2. REPORT OF THE EVENT

Title of the Event : Awareness Programme
Date & Time : 24.03.2023 & 11.00 AM
Resource Person : Ms. Srinithi Mani
Natural Educator & Environmental consultant from WWF
Number of Beneficiaries : 156

The Awareness programme on "EARTH HOUR DAY" was jointly organized by Department of Chemistry and Zoology on 24th March 2023 at 11.00 AM. Ms. Srinithi Mani, Natural Educator & Environmental consultant from WWF (World Wildlife Fund), Chennai was the resource person of this programme. She spoke about the importance of conservation of natural resources and its impact on global and human life. She has instructed the student community to take up the handprint challenge thereby making the natural resources more sustainable. She has given the awareness about the importance of "Earth Hour Day" and how to contribute ourselves on that day. She has instructed everyone to switch off the light and other electrical appliances for an hour on 25th March 2023 from 8.30 PM to 9.30 PM. By doing so, it can shine a global spotlight on nature loss and climate change. We all have to work together towards the sustainable development to secure a brighter future for people and the planet.

3. Feedback Analysis Report: Feedback forms were collected from the participants and more than 80 % gave positive feedback about the programme and the information gained from this awareness programme.

SOCIO ECONOMIC SURVEY

Department of Social Work, Unnat Bharat Abhiyan, N.G.M. College jointly organized Socio Economic Survey among village people at our adopted village Kallipatti on 13.02.2023. Students from I MSW actively participated in this survey.

The Mission of Unnat Bharat Abhiyan

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. Unnat Bharat Abhiyan is the initiative from the central government through Indian Institute of Technology, Delhi. This programme aims at the sustainable development rural India. The participating higher education institutions have to extend their services to the adopted villages. The institutions must develop linkage with the villages and get involved in the planning process of the village development. To understand the present status of the village, the primary task is to conduct two surveys the selected villages.

Department of Social Work and N.G.M College UBA conducted the Village survey in Kallipatti panchayat. This survey were done by a team of 25 students from our department and 1 faculty members using the standard questionnaires specified by UBA. It was done in a planned manner with formation of several teams who were allocated different areas for survey. The students groups started interviewing households in different groups in different places of the village. The response of the households was good and supportive. At the end of the survey maximum houses in Kallipatti panchayat interviewed by the students. This survey helpful to identify the status about the village.

95th Rank in NIRF – 2023 among Colleges in India.

<p>About the College</p> <p>Nallamuthu Gounder Mahalingam (NGM) College, Pollachi was established in the year 1957 and it is an autonomous institution affiliated to Bharathiar University, Coimbatore. The college has been spreading its wings far and wide to provide a variety of educational programs under one roof for around 65 years. Over the years, the College has developed into a premier teaching and research institution, offering 44 different programs including UG, PG and research. The College has about 250 faculty members and 6000 students. The benevolence of the beloved Patron Arutchevar Dr. N. Mahalingam, the President Dr. B.K. Krishnaraj Vanavarayar and the Secretary Shri M. Balasubramaniam has transformed the College into a Centre of Excellence in higher learning and active research. The academic excellence, expert faculty, state-of-the-art research facilities, commendable ISR activities and promising placements are the strengths of the college. The NAAC has awarded 'A' grade twice and it is also an ISO 9001:2015 certified institution since 2002.</p> <p>About the Department</p> <p>The Department of Botany was established in 1972 with an undergraduate course in botany and the post-graduate course is highly integrative in nature in order to ensure the vertical and horizontal mobility of students. Curricular contents range from Classical Botany to Applied Botany including Plant Biotechnology, Molecular Biology, Bioinformatics, and Bionanotechnology. The infrastructure and the expertise available in the department have elevated it into a recognized research center of Bharathiar</p>	<p>University to carry out research in both fundamental and applied fields of Botany to award M.Phil (full-time/part-time) and Ph.D. degrees.</p> <p>About the seminar</p> <p>Appreciation of Biodiversity and Ethnic Knowledge has gained momentum worldwide as conservation becomes inevitable in order to attain sustainable utilization of bioresources. Exploration, Inventorying and Documentation of plant resources definitely need local knowledge. Further, research in any advanced branch of plant science will get relevance only when the correct identities of plants are established. Even after the documentation of thousands of plant species by various initiatives like ENVIS, IBP still there is an untapped floristic knowledge behind many ethnic groups. Applying ethnobotanical knowledge and involving the local community would be more fruitful in conservation strategies. In this context, the seminar would bring insights into Western Ghats biodiversity conservation and the role of ethnobotanists in identifying unidentified taxon of medicinal importance.</p> <p>Registration Details</p> <p>On-spot Registration Fee: Rs. 300/-. Objectives:

- To create awareness about the importance of Basic Sciences and their pivotal role in various fields to improve the livelihood.
- To create awareness that the Basic sciences are instrumental in bringing out balanced, inclusive and sustainable development of the planet.

Brief Report:

Chemistry is the central dogma for other basic sciences and is playing vital role in finding solutions to various problems including healthcare, agriculture etc. To appreciate the importance of basic sciences, seminar was organized by the department of chemistry to celebrate the "International Year of Basic Sciences for Sustainable Development-2022". The event began with a prayer song followed by the lighting of kuthuvilakku. The welcome address was given by Dr. Indumathy Ramasamy, Head of the Department. The Chief guest for the event was Dr. R. Nandhakumar, Professor, Department of Applied Chemistry, Karuoya Institute of Technology and Sciences, Coimbatore. He has given a talk on "The Challenges of Global Change: Chemistry for Sustainable Development". He delivered how to use judiciously the available resources without compromising or depleting it for the future generations. He has posed a series of problems and asked us to think and rethink on how to solve such problems using innovative scientific principles or technology in a sustainable manner. He has given us idea about start ups, entrepreneur and other career opportunities. Around 111 students and faculty members were benefited through this session. The programme came to an end with the vote of thanks proposed by A. Lajumatha Bano 3rd B.Sc., Chemistry followed by the

Biography of Dr. R. Nandhakumar

Dr. R. Nandhakumar, Professor, specializes in Organic Chemistry and Supramolecular Chemistry. He received both his UG and PG degree in Chemistry from Bharathiar University, Coimbatore, Tamil Nadu, India. He obtained his Ph.D. in synthetic organic chemistry in 2004 under the supervision of Dr. P.S. Mishra at the Department of Chemistry, Bharathiar University, Coimbatore, India. Thereafter, he held postdoctoral positions at the Center for Smart Supramolecules (CSS), Pohang University of Science and Technology (POSTECH), Pohang, South Korea with Professor Kiyoung Kim and at the Department of Chemistry and Division of Nanosciences, Ewha Womans University, Seoul, South Korea with Professor Kwan Moek Kim. Subsequently, he joined as a Research Professor at Ewha Womans University. In the beginning of the year 2011, he joined as an Associate Professor at the Department of Chemistry, Karunya University of Science and Technology (deemed to be University), Coimbatore, India and presently he is Professor of Chemistry at Karunya. His research interests include Supramolecular Chemistry, Bio-organic Chemistry, Carbon based materials, Fluorescent Chemosensors and Chirality towards the development of novel heterocyclic molecules for multifarious applications like Chiral discrimination, sensing of biologically and environmentally important small molecules, molecular recognition and in pharmacology. In addition to the above, he serves as an editorial board member and as a reviewer for several journals. Besides, he holds many administrative and academic posts and has received several awards and recognitions. Very recently, he has successfully completed two projects from DST and SERB and guided FIVE doctoral students. Currently FIVE research scholars are working under him. To his credit, he has written TWO books, SEVEN book chapters, TWO international patents (Granted), FIFTEEN national patents (THREE GRANTED) and published more than 165 research papers in peer reviewed international and national journals including *J. Am. Chem. Soc., J. Org. Chem., Chem. Commun., Inorg. Chem., ACS Sustainable Chem. Eng., ACS Omega, Anal. Chim. Acta, Chem. Euro. J., J. Phy. Chem., C, RSC Adv., Sensor Actuat. B-Chemical, J. Hazard Mater., Food Chem., Tet. Lett., Mater. Lett., Ind. J. Chem., etc.* with a h index of 32 and i10 index of 83 and nearly 3300 citations.
